Community Cleanup Planned for San Antonio Heights

SAN ANTONIO HEIGHTS – Free trash collection and recycling services will be provided for residents of this unincorporated community on Saturday from 8 a.m. to noon.

Residents can dispose of items such as old couches, appliances, scrap metal, tires, yard waste and other non-hazardous trash at the Community Cleanup being held at Life Bible Fellowship Church located at 2426 North Euclid Ave.

Clean Earth Recycling will be on hand to collect televisions, computer monitors, VCRs and other used electronics waste for recycling.

Board of Supervisors Chairman Paul Biane, San Bernardino County Code Enforcement and County Solid Waste organized the event to make it easy for San Antonio Heights residents to dispose of unwanted trash.

“The Community Cleanup on Saturday is just in time for residents who want to get a jump start on their spring cleaning this year,” said Biane, who represents San Antonio Heights as the County’s Second District Supervisor.

Residents can dispose of tires with rims removed as long as the tires do not exceed 11 inches by 25.5 inches. Residents planning to bring 10 or more tires should call (909) 387-0289 by Thursday to make arrangements for the disposal.

Hazardous materials including motor oil, paint, chemicals, pesticides, drain cleaner and furniture polish will not be accepted. Please call (800) 645-9228 for more information about disposal of hazardous materials.

Please call Supervisor Biane's office at (909) 945-4297 or Code Enforcement at (909) 387-4044 for more information about the cleanup.
